LSBA's TIP Mentoring Program

The TIP Program matches one mentor with one mentee, giving newly admitted attorneys access to veteran attorneys to assist with their transition to the practice of law. During the year long program, mentees will learn practical skills, as well as professionalism, and what is expected of them as a member of the Louisiana State Bar Association.

BENEFITS OF COMPLETING THE TIP PROGRAM:

- ▶ **2 years of CLE credit** for newly admitted attorneys (new Supreme Court Rule 3.22)
- ▶ **Extensive Handbook** with detailed plan and valuable resources
- ▶ **Exclusive Professional Development Workshops**
 - ◆ Trust Accounting
 - ◆ Stress Management
 - ◆ Law Practice Management
 - ◆ Lawyer Advertising
- ▶ **\$200 TIP Bucks**
- ▶ **Personalized Matching**
- ▶ **Annual Reception at the Louisiana Supreme Court**
- ▶ **Networking opportunities**

“TIP is a wonderful opportunity for young lawyers to benefit from the sage advice of more seasoned members of their local bar. I wish it existed 33 years ago when I graduated.”

- Hon. Mark L. Hornsby, Shreveport

“There are so many aspects of the practice of law which are not taught in law school. **The TIP Program fills the void** - I have been a mentor since the inception of the program, and I still get calls from the lawyers I have been fortunate enough to mentor.

Any lawyer who successfully completes the TIP Program will be better for it. It will not only make that lawyer better, it will make the profession better.”

- Robert A. Kutcher, Metairie

New admittees are able to significantly benefit and get a great advantage in participating in this one-of-a-kind mentoring program. — Barry H. Grodsky, New Orleans
