

## JOHN M. SCHRODER

LOUISIANA STATE TREASURER

In an effort to get Louisiana businesses the economic support they need, Act 311 of the Louisiana 2020 Regular Session set aside \$275 million from the CARES Act for the Louisiana Main Street Recovery Program, a grant program designed to reimburse eligible small businesses for expenses related to COVID-19.

As part of this, the Legislature has mandated that at least \$40 million be allocated to minority, women, and veteran owned businesses in the first 60 days.

We are working hard to ensure that small business owners are aware of this program. The application is now live. Business owners can apply at [LouisianaMainStreet.com](https://LouisianaMainStreet.com). Visit the [resource page](#) for a [user guide](#) on how to set up an account and complete an application.

Thank you for your assistance in ensuring local businesses have the information and ability to receive these grant funds.

Sincerely,

John M. Schroder  
State Treasurer
