Louisiana State Bar Association Minority Involvement Section

Law Student Mentoring Program Kickoff Reception

(In conjunction with the reception to congratulate LSBA President Kim M. Boyle)

September 17, 2009

5:30 p.m. to 7:00 p.m.

Louisiana Supreme Court

(400 Royal Street, New Orleans, Louisiana)

The mentoring program is designed to connect experienced LSBA lawyers with Louisiana law students who are seeking assistance with the personal and professional demands of law school, advice on professional development and practicing, guidance regarding the importance and means of being involved in Bar and community activities, tips regarding Bar examination preparation, and networking opportunities. The mentor is not providing legal advice and neither the Section nor the mentor can guarantee employment or specific results. However, the program can provide helpful information that may help you navigate the sometimes challenging waters of the legal profession.

Please RSVP by September 15 by contacting Kelly McNeil Legier (504-619-0129; Kelly.Legier@lsba.org). If you are interested but cannot attend the September 17th reception, please indicate your intention in your RSVP communication.
