Find an Attorney

It is always in your best interest to speak with a licensed attorney about your legal issue. Click this button on the portal to search a directory of attorneys in Louisiana by name or location. Some cities have a "referral program" through local bar associations.

Modest Means Directory

The "Modest Means" directory provides a list of attorneys who charge reduced fees to people who meet certain income eligibility requirements. You may be able to use the directory to locate an attorney near you who handles your specific type of legal problem and to discuss fees.

LA.FreeLegalAnswers.org

LA.FreeLegalAnswers.org is an online pro bono program that allows you to ask legal questions through the website, which are answered by volunteer attorneys. Please note that this service does not assist with criminal cases and you must meet certain income requirements to be eligible.

Legal Aid & Pro Bono Organizations

If you cannot afford to hire an attorney, you may be able to get free help from a "legal aid" or "pro bono" organization in your area. Click this button on the portal and select your parish to view services in your area.

Self-Help Services & Legal Forms

If you cannot afford an attorney, and legal aid services are unavailable, you may be able to represent yourself in court. Click this button on the portal to see if there are forms, self-help centers, or other services available to address your legal issue.
