

Expert Witnesses:

An In-Depth Look At What Every Lawyer Should Know

Friday, September 23, 2022

Hyatt Centric French Quarter Hotel • 800 Iberville St., New Orleans

Expert witnesses have specialized skills, knowledge, or experience and testify in court based on those them. Unlike any other witnesses, expert witnesses can draw conclusions and give their opinions as part of their testimony. Experts do not need to be academic in nature. A mechanic may be called as an expert to explain what happens if sugar is put into a gas tank or a domestic violence professional to talk about the dynamics of domestic violence. Importance of how qualified the expert is key so that their testimony should be believed or credited by the judge or jury. In some cases, both sides will use expert witnesses who may even reach different conclusions. So, choosing a good expert witness is imperative. Register now and learn what our experts can tell you!
