SPEAKER BIOGRAPHY

Daniel W. Linna, Jr.

Director of Law and Technology Initiatives,
Northwestern Pritzker School of Law
Chicago, IL

Daniel W. Linna, Jr. received his BA from the University of Michigan, a BA and an MA in public policy and administration from Michigan State University, and graduated magna cum laude, Order of the Coif, from the University of Michigan Law School. He began his legal career with a judicial clerkship for U.S. Court of Appeals Judge James L. Ryan. After his clerkship, he joined Honigman Miller Schwartz and Cohn where he was elected equity partner in 2013.

For more than a decade, he has focused his work on applications of artificial intelligence and data analytics for legal services delivery. Currently, he has a joint appointment at Northwestern Pritzker School of Law and the Computer Science Department of Northwestern McCormick School of Engineering. His teaching and research focus on innovation and technology, including the use of artificial intelligence and data analytics, to improve legal services delivery and the law, regulation and governance of computational technologies. He is an affiliated faculty member at CodeX, The Stanford Center for Legal Informatics. Before law school, he was an information technology manager, developer and consultant.
