Modest Means Online Legal Directory

Welcome to the Modest Means Online Legal Directory

A committee of the Louisiana State Bar and Supreme Court has created this directory of attorneys for the people of Louisiana who don't qualify for free legal services, but still can't afford an attorney on the open market.

This directory is designed to help Louisiana consumers obtain legal services at affordable rates. For example, it connects people with attorneys who: charge reduced rates based on client income, charge a flat fee, or charge less because they represent the client for just part of the case and not all of it.

To use this list, you must be income eligible and agree to the terms of use. The directory provides the name of the attorney, contact information, location(s) where their services are available, and practice areas of each attorney, which include business, consumer, criminal, family, housing, successions, estate planning, and more.

This is NOT a referral service. To seek services from an attorney on the list, you must contact him or her directly.
