Section 9. Filing of Amicus Briefs by Sections

The following policies and procedures will apply to the filing of amicus briefs by any and all sections of the Louisiana State Bar Association.

1. Each President of the LSBA will appoint a Committee of three (3) attorneys who practice law in the State of Louisiana. The President will also appoint two (2) alternate members of the Committee in the event that a committee member is unable to satisfy his or her duties at the appropriate time, *and/or must recuse him or herself*. The President shall act under his or her authority and discretion in appointing Committee members who he or she believes has the requisite legal expertise to participate in the determination of whether a Section should be allowed to file an amicus brief under these Rules. The Committee will have the sole responsibility for determining the propriety of an LSBA Section filing an amicus brief.
2. In determining whether a Section should be allowed to file a proposed amicus brief, the Committee will be governed by the following limitations and conditions: Any proposed brief *shall not* be in conflict with any of the rules, regulations, policies and procedures of the LSBA, or any section of the LSBA. Moreover, the proposed brief must be related to and relevant to the administration of justice. Specifically, amicus briefs may be authorized *only* when such briefs involve legal questions relating to the regulation of the profession, improving the administration of justice, or the quality of legal services, but may not be authorized for matters that are ideological or political in nature.
3. A Section seeking authority to file an amicus brief must file an application with the Committee as outlined in paragraph 6 of these Rules and must comply with certain conditions and limitations:
 - a. A Section shall be allowed to expend funds in its efforts to file an amicus brief, but no funds of the LSBA will be expended for such purpose, nor will the LSBA reimburse any Section for funds expended for the filing of an amicus brief. The Section must bear all expenses related to the filing of the proposed brief and no legal fees may be paid by the Section for the filing of such brief.
 - b. Any action taken by a Section pursuant to this provision shall be clearly identified as the action of the Section and not that of the LSBA. Such proposed brief must, as a preamble, contain the following disclaimer in capital letters, underlined with bold print:

THIS POSITION IS BEING PRESENTED ONLY ON BEHALF OF THE (INSERT SECTION NAME) SECTION OF THE LOUISIANA STATE BAR ASSOCIATION. THIS POSITION SHOULD NOT BE CONSTRUED AS REPRESENTING THE POSITION OF THE

BOARD OF GOVERNORS, THE EXECUTIVE COMMITTEE, OR THE GENERAL MEMBERSHIP OF THE LOUISIANA STATE BAR ASSOCIATION. THE (INSERT SECTION NAME) SECTION WHICH TAKES THIS POSITION IS A VOLUNTARY SECTION OF (INSERT TOTAL MEMBERSHIP) MEMBERS COMPOSED OF LAWYERS PRACTICING IN A SPECIFIED AREA OF LAW.

THIS POSITION IS TAKEN AS THE RESULT OF A VOTE OF (VOTE COUNT) TO (VOTE COUNT) OF THE EXECUTIVE COMMITTEE OF THE (INSERT SECTION NAME) SECTION, WHICH IS THE GOVERNING BODY OF THAT SECTION. NO APPROVAL OR DISAPPROVAL OF THE GENERAL MEMBERSHIP OF THE SECTION HAS BEEN OBTAINED.

If the general membership of this Section has approved the Section's position, paragraph II of the disclaimer may be omitted.

4. The Section proposing the filing of an amicus brief must comply with its own rules, bylaws, and/or regulations concerning the assertion of the position in the brief and/or the filing of the brief itself. Moreover, the Section must inform its general membership of the action taken in a manner that is consistent with such Section's rules, bylaws, and/or regulations. In order to allow the Committee a fair and adequate opportunity to determine whether a Section should file a proposed brief, the following requirements must be satisfied:
 - a. The Section proposing the filing of a brief must give the Committee a minimum of ten (10) days notice prior to the due date of filing, which notice shall consist of the following information:
 - i. Caption of the case.
 - ii. Last court to render a decision in the case.
 - iii. Court in which the proposed brief is to be filed. *The Committee will generally only consider briefs to be filed with the Louisiana Supreme Court.* (Please attach a copy of the decision or order appealed from, accompanying opinion and other relevant documents, including briefs of the parties.)
 - iv. Date by which the proposed amicus brief must be filed.
 - v. Full statement of the relevant facts of the controversy.
 - vi. A statement of whether the policy of principle of law to be supported has been adopted by the LSBA or any Section thereof.
 - aa. If yes, please provide the reference to and full quotation of the relevant policy or principle of law by the House of Delegates, the Board of Governors, or other authoritative action by the LSBA.
 - bb. If the application seeks authority to file an amicus brief in support of a position or principle of law which has not been adopted by the Association or by a Section, please provide a concise statement of the policy position to be supported and a statement of reasons why it should be adopted by the Section.
 - vii. A statement as to the reasons why this controversy is important for Section participation and why the Section's participation would assist the

Court in reaching its decision, including why this would be an additional contribution to that advanced by either party to the controversy.

- viii. The names and firm connections, if any, of those who have written or who would write the brief on behalf of the Section.
- ix. A listing of all sections, divisions, or committees which have any interest in the issue presented with a notation of whether a copy of the application has been sent to each and what each entity's position is. Failure to provide these entities with adequate notice could result in denial of the application, but may not result in such denial by the Committee, in its discretion. If possible, these entities should be consulted and their positions ascertained prior to submission of the application. The application shall discuss what has been done in this respect and the position, if any, of the other entities.
- x. The Section must attach a copy of the draft brief.

5. The Committee's decision to allow the filing of an amicus brief by a Section must be unanimous, and the Committee must respond to the application within seven (7) days of receipt. If, however, one member of the Committee is a member of the Section's Executive Committee that is proposing the filing of the brief, *and/or is a member of a law firm which has direct or indirect involvement with the controversy before the Court*, that committee member should recuse him or herself, and the President should appoint one of the alternate members to consider the proposed filing of the amicus brief. The Committee's decision is final and there shall be no appeals of the Committee's decision to the LSBA Board of Governors, Executive Committee, or House of Delegates.

If the Legislation Committee's recommendation on legislation is disapproved by the requisite vote of the Board, the Association shall not take a position on that legislation, absent a further recommendation on that legislation by the Legislation Committee that is not disapproved by the Board of Governors in the manner provided in this Section.
- f. In the event a member of the Board of Governors desires Board consideration of a bill not presented to the Board by the Legislation Committee, the Board must first approve such consideration by a seventy-five percent (75%) vote of the Board's members present and voting. ARTICLE XII. LEGISLATIVE POSITIONS AND PUBLIC POLICY

1. Objection to Use of Bar Dues

A. Submission of Objections

A member of the Louisiana State Bar Association who objects to the use of any portion of the member's bar dues for activities he or she considers promotes or opposes political or ideological causes may request the Board to review the member's concerns to determine if the Board agrees with the member's objections. Member objections must be filed as follows:

- a. Any objection must be filed within forty-five (45) days of the date of the Bar's publication of notice of the activity to which the member is objecting.
- b. Member objections must be in writing and must be filed with the Executive Director of the Association.
- c. Failure to object within the time period and in the manner set forth above shall constitute a waiver of any right to object.

After a written objection has been received, the Executive Director shall promptly determine the pro rata amount of the objecting member's membership dues at issue, and such amount shall be placed in escrow pending determination of the merits of the objection.

Upon the deadline for receipt of written objections, the Board of Governors shall have sixty (60) days in which to decide whether to give a pro rata refund to the objecting member(s) or to refer the action to arbitration.

(Added June 7, 2012)

B. Refunds without Arbitration

In the event the Board of Governors orders a refund, the objecting member's right to the refund shall immediately vest, although the pro rata amount of the objecting member's membership dues at issue shall remain in escrow until the conclusion of the Louisiana State Bar Association's audit for the fiscal year in which the objection was made, which shall include final independent verification of the appropriate refund payable. The Louisiana State Bar Association shall provide such refund within 30 days of independent verification of the amount of the refund. The LSBA shall pay the refund together with interest calculated at the statutory rate of interest on judgments as of the date the objecting member's membership dues at issue were received by the Louisiana State Bar Association, for the period commencing with the date of receipt of the membership dues and ending on the date of payment of the refund by the Louisiana State Bar Association.

Any refund of a pro rata share of the member's membership dues shall be for the convenience of the LSBA, and shall not be construed as an admission that the activity or action to which the member objected was or would not have been within the purposes or limitations of the Bylaws.

(Added June 7, 2012)

C. Arbitration

In the event the Board of Governors orders arbitration, the arbitration panel shall be composed of three members of the Bar and shall be constituted as soon as practicable. The objecting member(s) shall select one member of the arbitration panel, the LSBA Executive Committee shall choose the second panel member, and those two shall choose the third member. In the event the two members are unable to agree, the Chief Justice of the Louisiana Supreme Court, or his/her designee, shall appoint the third member.

The Bar shall thereafter prepare a written response to the objection and serve a copy of the response on the objecting member(s). The panel shall thereafter confer and decide whether the matters at issue are constitutionally appropriate for funding from the membership dues and, if not, whether the pro rata refund was correctly computed.

The panel shall render a final written report to the objecting member(s) and the Board of Governors within forty-five (45) days of its constitution. The decision shall be binding as to the objecting member(s) and the Bar. If the panel concludes the matters at issue are appropriately funded from membership dues, there shall be no refund and the Bar shall be free to expend the amount in escrow. If the panel determines that the matters at issue are inappropriately funded from membership dues, the panel shall order a refund of the pro rata amount, subject to the same independent verification as set forth in Section 1. B. above, to the objecting member(s). In the event a refund is ordered, the Bar shall provide such refund within thirty (30) days of the date of the report, together with interest calculated at the legal rate of interest.

ARTICLE XIII. INDEMNIFICATION OF OFFICERS AND MEMBERS OF THE BOARD; AND INSURANCE

Section 1. General

The Association shall indemnify any person who was or is a party or is threatened to be made a party to any action, suit or proceeding, whether civil, criminal, administrative or investigative (including any action by or in the right of the Association) by reason of the fact that he or she is or was a member of the Board of Governors or an officer of the Association, or is or was serving at the request of the Association as a member of a board of governors, director, officer, employee or agent of another nonprofit, business or foreign corporation, partnership, joint venture or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful; provided that in case of actions by or in the right of the Association, the indemnity shall be limited to expenses (including attorneys' fees, and amounts paid in settlement not exceeding, in the judgment of the Board of Governors, the estimated expense of litigating the action to conclusion) actually and reasonably incurred in connection with the defense or settlement of such action, and no indemnification shall be made in respect of any claim, issue or

matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Association unless and only to the extent that the court shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, he or she is fairly and reasonably entitled to indemnity for such expenses which the court shall deem proper. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

(Added June 8, 1990)

Section 2. Expenses of Litigation

To the extent that a member of the Board of Governors or an officer of the Association has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any claim, issue or matter therein, he or she shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith.

(Added June 8, 1990)

Section 3. Determination by Members of the Board of Governors

The indemnification under Section 1 above (unless ordered by the court) shall be made by the Association only as authorized in a specific case upon a determination that the applicable standard of conduct has been met. Such determination shall be made (a) by the Board of Governors by a majority vote of a quorum consisting of members of the Board of Governors who were not parties to such action, suit or proceeding, or (b) if such a quorum is not obtainable or a quorum of disinterested members of the Board of Governors so directs, by independent legal counsel, or (c) by the members of the Association.

(Added June 8, 1990)

Section 4. Advance of Expenses

The expenses incurred in defending such an action, suit or proceeding shall be paid by the Association in advance of the final disposition thereof if authorized in the manner provided in Section 3 above, upon receipt of an undertaking by or on behalf of the member of the Board of Governors or the officer to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the Association as authorized hereunder.

(Added June 8, 1990)

Section 5. Other Rights

The indemnification provided hereunder shall not be deemed exclusive of any other rights to which the person indemnified may be entitled under any bylaw, agreement, authorization of members of the Association or disinterested members of the Board of Governors or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a member of the Board of Governors or an officer and shall inure to the benefit of his or her heirs and legal

representatives. Nothing contained herein shall be deemed to abrogate or diminish any exemption from liability or limitation of liability of the members of the Board of Governors or officers of this Association which is provided by law.

(Added June 8, 1990)

Section 6. Insurance

The Association may procure insurance on behalf of any person who is or was a member of the Board of Governors or an officer of the Association, or is or was serving at the request of the Association as a member of a board of governors, director, officer, employee or agent of another nonprofit, business or foreign corporation, partnership, joint venture or other enterprise, against any liability asserted against or incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability under the Nonprofit Corporation Law of Louisiana.

(Added June 8, 1990)

ARTICLE XIV. SCOPE AND LIMITATIONS OF HOUSE POLICY

In accordance with these By-Laws, any and all policy positions adopted by the LSBA House of Delegates must adhere to and agree with Article XI, §1, of the By-Laws of the Louisiana State Bar Association: namely, be limited to matters involving issues affecting the profession, the regulation of attorneys and the practice of law, the administration of justice, the availability and delivery of legal services to society, the improvement of the courts and the legal profession and such other matters consistent with the mission and purposes of the Association; but further limiting such positions to legislation which is not ideological in nature, not unrelated to the practice of law, or which is not unnecessarily divisive.
