“From Claim Feasibility to Defendable Cause and Result Reporting”

BUSINESS VALUATION BUSINESS INTERRUPTION DIVORCE PERSONAL INJURY

We can help.

Yes, we have a substantial list of credentials. Yes, we are accepted experts in state and federal courts.

Yes, we've been tending to the needs of others for 20 years. But isn't the real question -

Can we make your life easier?

That depends. Are you in need of a business valuation? Do you need help with a divorce in discovering hidden assets, child/spousal support income determination? Do you need financial and accounting help with a business claim or dispute? Do you need an economic or rebuttal report for your personal injury/wrongful death claim? We work for either the plaintiff or defendant on any case.

Our court accepted accounting and economic solutions will more than meet your expectations and needs. We will exceed them. That's our promise.

Go to **chadgarlandcpa.com** to discover how your life just got easier.

Additional Case Types:

Bankruptcy . Embezzlement . Insurance Claims
Shareholders/Partnership Disputes
Business Economic Losses

Employability Formula: Look beyond the formula.

Knowing the codes, definitions, and other scripted data is important. However, getting to know the claimant better than most others take the time to do, and applying common sense logic to employability issues is priceless.

Jeff Peterson, an expert in Vocational Evaluation, Rehabilitation, and Employability, assisting plaintiff and defense attorneys since 1985 in cases of

Personal Injury

Product Liability

Medical Malpractice

Divorce

Americans with Disabilities Act

Employment Discrimination

Railroad Injuries

Jones Act/Maritime, Longshore and Harbor Workers' Compensation Act

Disability and Retirement Issues

"My experience as both a leader and a clinician provides a unique advantage to you and your clients."

Stonecypher Consulting, LLC

a comprehensive consulting firm offering expert witness services, legal nurse consulting, attorney liaison, and medical record review for merit.

Case Types

- Medical Malpractice
- Nursing Administration
- Wrongful Deaths
- Nursing Home Negligence
- Behavioral Health Malpractice
- Suicide and Prevention

Kim E. Stonecypher (MSN, BSN, CLNC, CWCP) is a Master's-prepared, registered nurse with more than 31 years of health care experience, including both clinical nursing and nursing administrator experience. This experience includes the oversight for all quality and performance improvement initiatives, financial planning and budget allocation for clinical services. Additionally, the firm handles the interpretation, implementation and evaluation of quality and safety standards required by CMS and the Joint Commission for numerous Nursing Departments.

Stonecypher has both deposition and trial experience and equally retained for defense and plaintiff cases. Her areas of expertise include Nursing Administration, Medical-Surgical and Behavioral Health, Long-term and Nursing Home Care, Nursing Documentation and Standards of Care, Suicide Prevention and Hospital Wrongful Deaths. She has extensive experience with risk analysis and the management of sentinel events.

The
Needle
In A
Haystack

*Complex financial litigation cases often require the engagement of experts who can find “the needle in a haystack.”
A substantial edge is gained when you have Legier & Company’s Forensic CPAs and Expert Witness Group
on your team to help you find obscured financial facts that build and prove stronger cases.*

*Expert Testimony • Fraud • Forensic & Investigative Accounting • Calculating and Refuting Financial Damages
Business Valuations • Bankruptcies • Shareholder Disputes • Lost Profits • Business Interruptions
Lost Wages • Corporate Veil Piercing • Marital Dissolutions
