Fastcase Available Free to Active LSBA Members!

The Louisiana State Bar Association offers Fastcase, a Web-based legal research program, to all of its active members, free of charge. The program provides online access to millions of cases, statutes and regulations via the American Law Library.

Users can search all jurisdictions at one time, resulting in the most often cited references from the database. Inquiries can be made using keywords, Boolean phrases and citations. Fastcase also features dual-column printing and hyperlinked citations.

Fastcase is the premier American provider of online legal research. The company's patent pending research software helps busy legal professionals sort through the clutter, ranking the best cases and statutes first, and enabling users to re-sort search results to find answers fast. Fastcase puts the whole law library on the desktop — at a fraction of the cost of existing alternatives.

Fastcase is an American company based in Washington, D.C., and founded in 1999. It was built by lawyers and for lawyers, with the input of professionals in legal research, library science and law. Fastcase's mission is to make better research available to more people through innovation, value and choice.

Experience Fastcase Research Help Today!

Go to www.lsba.org and enter the "Members Login" area with your Bar ID number and self-created password and click "go directly to Fastcase."

A Complete Team of Damages Experts for Louisiana Personal Injury Cases

RPC's Louisiana team provides plaintiffs and defendants with independent medical examinations, neuropsychological evaluations, life care plans, analysis of lost earning capacity, vocational evaluations, and medical bill analysis. We assist attorneys in all phases of litigation from framing discovery requests through trial testimony.

RPC's Louisiana consultants apply their knowledge of substantive and procedural Louisiana law for expert testimony and personal injury damages to their reports. Our team has experience in the Longshore and Harbor Workers' Compensation Act and the Defense Base Act.

To discuss a case please contact Ron Luke, JD, PhD, President (512.371.8166; rluke@rpcconsulting.com) or Roy Bourne, Operations Manager (512.371.8026; rbourne@rpcconsulting.com).

Life Care Plans

RPC's certified life care planners prepare life care plans, and our physician associates determine medical necessity.

Economic Analysis

Our economists analyze loss of earning capacity and calculate discounted present value for life care plans and calculate support for survivors in wrongful deaths cases.

Vocational Evaluations

RPC's certified vocational evaluators prepare comprehensive vocational evaluations. They have experience conducting vocational evaluations, providing case management and career counseling services, and are qualified to administer a full range of tests.

Medical Bill Analysis

RPC analyzes the reasonable value, medical necessity, and causality of medical services. We also determine reasonableness of charges.
